

Mission

Gathers Italian professionals and scientists working in applied geophysics
 Unique both SEG and EAGE Section
 Located in Sgonico (Trieste), Italy at OGS
 Affiliated to FIST (Federazione Italiana Scienze della Terra)
 Promotes geophysics, the training and the professional updating of its members in
 Applied geophysics for environment protection
 Mining
 Civil engineering
 Cultural heritage and archaeology
 Search for energy sources
 Reservoir modeling
 Exploration geophysics

500+ members

History

Date of foundation: June 5th 2001
EAGE letter of endorsement: July 2nd 2001
SEG letter of endorsement: September 26th 2001
Signing ceremonies at:
 SEG Meeting in San Antonio, September 2001
 EAGE Meeting in Florence, May 2002

Executive Committee

October 2014 - October 2016

President:	P. Mazzucchelli	Aresys
Vice President:	C. Agosto	eni
Past President:	A. Antonelli	eni
Treasurer	U. Tinivella	OGS
Officers:	D. Della Moretta	eni
	G. Florio	University Federico II Naples
